

## Colorado Laboratory for Environmental Mass Spectrometry

### Solid sample submission information

Please print out a completed copy of this form, Sign the bottom, and include with the sample shipment.

What are the samples (soil, plant, etc.)?

Where were the samples collected (state within the U.S. or Country)?

Have the samples been chemically treated ? If so, describe.

Which isotope ratio is being analyzed?

Which method were the samples prepared for (n2\_run, co2\_run, co2dil65, codil120)?

What is the sample size range in milligrams?

Are the samples natural abundance or enriched/labeled?

If the samples are enriched, how much?

Please attach the order to run the samples (lowest to highest).

Are the samples enriched with more than one isotope?

Do you want to measure Carbon and Nitrogen concentrations?

If yes, please send the sample weights (electronic preferred: danr@nrel.colostate.edu)

Do you have an estimate for the Carbon and Nitrogen concentrations?

### Contact information

Name:

Title:

Organization:

Phone Number:

E-mail:

How will you be paying for the analysis?

Purchase Order: please include a copy with the shipment.

Credit Card: please complete the section below on the next page.

**Credit card payment information**

Name:  
Title:  
Organization:  
Phone Number:  
E-mail:

If you are a student or technician:

**Professor/Scientist's Name:**

Title:  
Organization:  
Phone Number:  
E-mail:

I certify that funds are available to pay for these analyses and I will pay the total upon receipt of the invoice.
