

PI authorization form for EcoCore training

As of July 1, 2012, training services by EcoCore are charged at \$35/h for instrument operation, general lab use, as well as for training on time-intensive or hazardous methods. Training on instruments needs to be re-taken if the operator has not run the instrument for over 6 months.

Please print out a completed copy of this form, **signed by your supervisor or PI on the project**, and provide to lab management prior to training.
